Careers For Liberal Studies Majors
Your Future Starts Here

RUTGERS UNIVERSITY
Camden Campus
What Are Grads Doing With Their Liberal Studies Degree?
The following is a sample of first jobs of Liberal Studies majors:

- Public Relations Specialist
- Marketing Assistant
- Management Trainee
- Reporter
- Grant Writer
- Assistant Copy Editor
- Human Resources Generalist
- Financial Services Sales Representative
- Research Assistant
- Elementary School Teacher
- Community Support Counselor

Many Liberal Studies majors choose to go directly into the workplace after graduation and others will decide to pursue a graduate degree. The following are some of the fields that Rutgers-Camden Liberal Studies majors have earned Masters and Doctorate level degrees in:

- Business
- Education
- Fine Arts
- Labor/Industrial Relations
- Public Administration
- Social Work

Students receiving a Bachelor of Arts degree in Liberal Studies have a broad range of career possibilities. Employers hire Liberal Studies majors because they possess widely applicable skills that are transferable to the workplace. Employers find that Liberal Studies majors are creative, open minded, have excellent written and verbal communication skills and are skilled critical and analytical thinkers who are also masterful researchers.

What Can I Do With a Major in Liberal Studies?
The Liberal Studies program meets the needs of qualified, motivated students who seek the expanded intellectual experience and improved career potential afforded by a bachelors degree. After transferring credits from their applied sciences degree, students gain critical skills essential to the liberal arts and pursue a program that combines courses in humanities, social sciences, and natural sciences.
